RESTORATION: Finding Strength in GOD'S GRACE

"But the God of all grace ..." 1 Peter 5:10

Restoration. That word can mean so many things to so many people. One might see it as something that is done to fix an item that has been neglected, like a car or piece of furniture. Another might see it as repairing a rift between a friendship that was damaged by a poorly chosen word or deed. Restoration can also be described as an action designed to bring one back to the things that really matter in life.

All of those descriptions of restoration are valid, but pale in comparison to the restoration of our relationship with our Lord and Savior, Jesus Christ. No matter where we are as believers, all of us can find ourselves needing to be closer to Jesus. Over my years of ministry, I have met many godly ladies and gentlemen. Moreover, those that I consider the closest to God because of their testimony have been the first to say they wish to be closer to Him.

As we progress through this life, we should desire to push aside the distractions of this world and draw closer to God.

Purposely plan to ask God daily to restore your spirit and heart to make your worship perfect, established, strong and settled so you can be a blessing to others.

Find strength in God's Grace!

PHILOSOPHY OF CHRISTIAN EDUCATION

True education is Biblical and Christian as found in the Word of God and centered around the person of the Lord Jesus Christ. It is that education or training that is based on and seeks to incorporate Biblical truths and principles in every area of life through the medium of teaching by word and deed to transform every individual into a mature person in Christ.

The Biblical Christian philosophy of education is that God is the essence and source of all truth; that reverential fear of God is the beginning of wisdom, understanding and knowledge; that Christ is the Way, the Truth, and the Life; that in Him are hid all the treasures of wisdom and knowledge; and that He is the beginning of all things and by Him all things are and were created (literal interpretation of the Genesis record).

God's goal for all Christians is that they become "perfect, thoroughly furnished unto all good works" (II Timothy 3:17). All activity should be designed to bring the Christian to eventual conformity to the image of Christ (Romans 8:29). Since this is God's goal, it must be the primary goal of Christian education that every student is brought to the place where they conform to the image of Christ.

The Bible places the responsibility of educating children upon the parents. Parents are instructed to teach God's Word "diligently" (Deuteronomy 6:7) and to "bring them up in the nurture and admonition of the Lord" (Ephesians 6:4).

Since parents are responsible for the education of their children (not the state), and since they have delegated some of the educating process to the Christian school, the Christian school operates *in loco parentis*. With this in mind, the Christian school is to teach Biblical principles that reinforce the Christian home. The home and Christian school must work together to effectively train young people to serve the Lord Jesus Christ.

MISSION STATEMENT

Equipping students with the tools to conform to the image of the Lord Jesus Christ.

I. STATEMENT OF FAITH

1. We believe the entire Bible from Genesis 1:1 to Revelation 22:21 is the verbally inspired and infallible Word of God.
2. We believe Jesus Christ was born of Mary, the Virgin, and is the Son of God, and God the Son.
3. We believe that Christ died for our sins according to the Scriptures, the just for the unjust, that He might bring us to God.
4. We believe that He rose from the grave the third day according to the Scriptures.
5. We believe that He only, is the great High Priest, and we need not the intercession of any man, but that Christ ever liveth to make intercession for us.
6. We believe that Christ will come again in Person, bodily, visibly, to establish

His Kingdom on the earth.

7. We believe that in order to be saved, the soul must be born again - "Ye must be born again." (John 3:7)
8. We believe that every truly born again soul should declare his faith by the act of baptism (immersion in water) setting forth the Lord's death, burial and resurrection.
9. We believe that the church is a body of baptized believers whose only mission is not to "reform the world" but to preach and teach the Gospel of salvation to the individual soul.

II. OBJECTIVES

1. To lead the student to acknowledge Jesus Christ as his Lord and Saviour.
2. To prepare children spiritually by instilling in them a personal responsibility and appreciation for our Lord Jesus Christ, and our Heavenly Father, and His Holy Spirit.
3. To develop in them a keen sense of patriotism.
4. To prepare them to live in a democracy.
5. To encourage them to think clearly, logically, and independently.
6. To adopt an instructional program that more adequately meets the needs of children than what is being done in public schools.
7. To assist in the mastery of the tools of learning and communication.
8. To provide opportunities for developing skills necessary to make a living.
9. To prepare them for more than just an ordinary place in life, by preparing them for spiritual leadership in their school, home, church, community, state, nation and in the world.
10. To provide opportunities to participate in wholesome forms of recreation.
11. To provide them with the opportunity to understand, appreciate and contribute to the arts.
12. To develop an understanding of the world in which they live and the ability to adapt themselves to their environment.
13. To develop a moral, ethical and spiritual sense which will help them to appreciate their personal worth and that of their fellow man.
14. To develop an understanding of and the ability to meet responsibility as a citizen and as a Christian.

III. ADMISSION AND RETENTION

1. Attendance at Vandalia Christian is a privilege and not a right.
2. The admission process begins with a meeting with the administration as to why the parents want their children attending VCS. At least one parent must be "born-again" as taught in the Bible (John 3:3).
3. An entrance test requirement must be met for admission in grades 1-12. In addition, students in grades 7-12 must be interviewed by the administration - in reference to why they want to attend and as to their salvation experience.

4. The Administration has the right to refuse admission to those, who in the opinion of school officials, would not be in agreement with the school's standards. This applies, as well, to current students staying in the school.

5. A critical, griping or uncooperative attitude on the part of a student or parent in reference to the regulations and rules of the school and their enforcement will in no wise be tolerated. If an attitude of Christian humility and cooperation is not possible by either a student or parent, then the student's enrollment will be terminated. By signing the statement of cooperation at the back of the student guidebook, both parents and students are to understand that they are committing themselves to the principles of conduct and support outlined in this guidebook both on and off campus.

IV. BEFORE SCHOOL

1. Students driving to school must park their cars in the parking lot beside the gymnasium. Students must have a VCS parking permit posted in their cars. Any student failing to post a parking permit after a warning may lose his driving privileges for the semester.

2. Students are not allowed to sit in cars after arrival or to be at them during the day without permission by a staff member.

3. Students in grades 2-6 arriving after 7:30 are to go into the chapel room in building "C" until the morning bell rings. Students in grades 7-12 arriving after 7:30 are to go into the gym and be seated on the bleachers until the morning bell rings unless otherwise directed by a faculty/staff member.

4. Classrooms will be opened at 7:30 for students in grades Pre-School - 1st.

5. ANY student arriving before 7:30 MUST go to either "A" building for Pre-School, or "C" building for grades K5 - 12th. Students are not permitted to sit in cars during this time.

6. Students in grades 7-12 who need to get early dismissal forms, "blue" slips, and tardy slips must go to the office in "B" building. All admissions slips are to be secured before homeroom. After homeroom ends students in grades 7-12 are to report to the "A" building office.

V. AFTER SCHOOL

1. Students in grades Pre-School - 6th are dismissed at 3:00. Students in grades 7-12 are dismissed at 3:10.

2. Students not involved with an extra-curricular activity meeting after school must be picked up by 3:25 pm, unless involved with our after school care program. All students not picked up by 3:25 pm will be sent to after school care and the parents will be charged accordingly. This includes all junior and senior high students as well.

VI. ATTENDANCE PROCEDURES

1. Classification of absences

a. "Excused" absences are listed as follows:

1. Illness
2. Quarantine
3. Death in family
4. Medical appointments
5. Court proceedings
6. Advanced approval - approval must be received from the principal's office and assignments given in advance and due upon returning to class. If advanced approval is not received, an "unexcused" absence will be given. This advanced approval must be obtained at least one day before the anticipated absence. An advanced approval must be obtained before leaving on a college day.

Students in grades 1-8 can miss no more than 20 school days per year (excused and unexcused absences) and pass for the year. Students in grades 9-12 can miss no more than 7 days per semester and gain credit for that class. **Students must be at school for 4 out of the 7 hours of the school day to count as a full day.** If work is made up and a passing grade is attained, Summer School may be used to make up the attendance deficit. Exceptions for hospitalization may be made considering work is made up.

College days for juniors and seniors are a privilege to be enjoyed visiting an out-of-town campus. Seniors will get three days and juniors one day to do so. This is with family and does not include any school-sponsored trips. When returning, a note from the appropriate dean or registrar of the school is to be turned in to the school office to justify your absence.

A written note stating the reason for the absence MUST be received in the school office before any absence is excused. The note should be brought to the office the day the student returns to school. (Ex. Please excuse Johnny from school yesterday as he was sick. NOT Please excuse Johnny from school yesterday.) If a reason for absence is not stated an "unexcused absence" will be given.

Students are allowed one day for each day absent to make up missed work. If work is not made up in the allotted time, students will receive a "zero" for missed work. It is the student's responsibility to see the work is made up NOT the teacher's. *If a student is absent the day before a test and returns the day of the test he/she will be expected to take the test one school day later. (Ex. If a student is absent on Thursday and a Bible test has been scheduled for Friday, the student will be required to take the test on Monday.) If a student is leaving due to an early dismissal and has a test that day, he/she will be expected to take the test during the 1st free period before the dismissal is to occur. If a student is tardy and missed a test due to the tardy, the student will be required to take the test during the 1st free period of that day.*

If a test announced a week in advance of the test day and review is completed two days prior to the test a student must take the test on the test day even if the student was absent the day before the test is to be given.

b. Unexcused absences will be given if a written note is not received.

- (1.) A zero is to be given in every class missed.

(2.) Tests and quizzes cannot be made up.

2. Procedure for absences from school for grades 7-12

- a. The first day the student returns to school after an absence, he/she must bring to the office a dated, written note from the parent stating the reason for the absence.
- b. A student is not to be admitted to class without a note from the office.
- c. Pre-School and elementary students are to report to their homeroom class.

3. Procedure for early dismissal

- a. Students are to bring to the office, before school or while in homeroom, a dated, written note stating the reason for the early dismissal and the time to be dismissed. Students will not be allowed to leave early without permission from parents.
- b. The early dismissal note is to be shown to the teacher responsible for the student at the time of the dismissal.
- c. The student must come by the office and sign out before leaving and sign back in if he/she returns.

4. Tardiness

- a. "Excused" tardies are the same as for "excused" absences. (pg. 7)
- b. ANY student who is tardy to homeroom should go directly to class.
- c. ALL 7th-12th grade students who arrive after homeroom is over must sign in at the office in "A" building and have their names removed from the absentee list. Pre-school and elementary students are to go directly to class.
- d. ALL students who are tardy must have a dated and signed note from their parents stating the reason for their tardy. All tardies will be considered "unexcused" until a note is received in the office.
- e. Students not in their homeroom when the bell stops ringing are tardy.
- f. When a student reaches 10 tardies to school, the students, parents, or guardians shall be notified of their child's tardiness. **Five tardies to school equals one absence.**
- g. At 20 tardies, the student may be suspended. At each multiple of 5 tardies to follow, a parent conference will be required with the administration.
- h. Three tardies to school (grades 7-12) will result in a Detention Hall. Each subsequent tardy will result in a Detention Hall. Five Detention Halls in one semester will result in an out-of-school suspension. The penalty for this suspension will be daily grades of zero in class.

VII. LUNCHROOM PROCEDURES

1. The schedule

- a. Consult the JUNIOR - SENIOR HIGH SCHOOL SCHEDULE in the back of this handbook for the time schedule.
- b. Give thanks for the food in the classroom before going to lunch.

2. To lunch

There may be quiet talking as the students wait in line.

3. During lunch

- a. As you enjoy your lunch, be aware of your conduct. Students in grades 7-12 may talk quietly. Students in grades Pre-School - 6th need to follow the lunch-

room procedures set forth by their teachers.

b. Students are not to play with or transfer food from one to another.

c. No “red” drinks may be brought to school.

4. After lunch

a. Students are to use the restrooms before going to lunch or before going back to class after lunch. Students are not to leave the lunchroom without permission.

b. NO student may enter a classroom during lunch time without permission from the principal.

c. Students may not return to the classroom, or be on the south breezeway, second floor breezeway or breezeway steps.

d. Food/drink of any sort is not to be taken out of the cafeteria/gym at any time, including breakfast, breaktime and lunch. **Food/drink is not to be taken into the classrooms at any time unless preapproved by the administration.**

This will be dealt with as disobedience.

e. Students are to pick up all paper and leftover food from the area in which they ate before leaving the cafeteria.

5. Juniors and Seniors may leave campus for lunch on Tuesdays and Thursdays with parental permission. NO students may leave campus for lunch on Mondays, Wednesdays or Fridays.

a. Students are not allowed to sit in cars on the school grounds at any time, before school, after school, during break or during lunch.

b. Boys and girls are not to go to lunch in the same car.

c. A student who is tardy from lunch on the first offense will receive a warning, the second offense they will lose their lunch privilege for one week, the third offense they will lose the privilege permanently.

d. Students must have written permission from parents to leave the school grounds during lunch. (This includes driver and student.) This permission slip must be on file in the school office before the student may leave.

e. Upon return to campus from lunch, no students are to sit in cars.

f. No more than 2 students may ride in the same car coming to or leaving the campus. EXCEPTION: 2 siblings and 1 other student may ride in the same car.

g. Students are not to purchase and/or bring lunch back to campus for underclassman on days they are allowed to go off campus for lunch. Students are not allowed to have food delivered to campus. Exception: Parents, please notify the school office if you would wish to bring food to the cafeteria during the lunch period. **Visitors and recent graduates of VCS or any other high school may not be on campus for lunch or during the school day.**

VIII. STUDY HALL PROCEDURES

1. Students are considered tardy if they are not in their seats when the bell stops ringing.
2. Anyone tardy for study hall will be handled the same way as tardy to any other class.
3. Any student that has choir or band must inform the teacher at the beginning of the school year so that this can be indicated on the roll.
4. There should be NO communication between students during study hall.
5. Students are NOT to pass notes.
6. Students are not to leave the room for any reason without a signed pass from the teacher stating the purpose of the student's activity.
7. Teachers are to be in the room the entire time.

IX. OUT-OF-CLASS PROCEDURES

Students must have a written pass to be out of class during regularly-scheduled class periods. It is the student's responsibility to secure the pass. Students are not to loiter while using a pass. **If a student needs to see a teacher for remedial help, it will be the responsibility of the student to get a pass from that teacher and give it to his study hall teacher before study hall begins.**

X. BREAK PROCEDURES

Students will be responsible for cleaning up after themselves during the break period. This includes students in the elementary school using the playgrounds and high school students using the gym. A duty schedule will be assigned for high school students to check the gym for cleanliness at the end of each break period. Students are not to sit on the edge of the stage or be on the stage for any reason without permission. **Students may not leave the gym without permission during break. Students are not to loiter or congregate in the gym lobbies.**

XI. CHAPEL PROCEDURES

The chapel service is a very important and intricate part of our school program and all students are required to attend. Students are to come to chapel as a class and enter the gymnasium quietly. Each student is to bring his Bible with him. Proper conduct is expected of all students.

XII. CLASSROOM PROCEDURES

1. **Each class period is to be used wisely.**
 - a. The bell begins the class; the teacher dismisses the class.
 - b. Students are tardy if not in their assigned classroom when the bell stops ringing.
 - c. Immediately after the bell rings, the teacher will take roll and have prayer.
 - d. Students are to have materials ready to begin class after prayer.
2. **Assignments**
 - a. Assignments are an integral part of the school program; therefore, each

teacher is at liberty to give homework to help students advance in their studies.

b. Reasons for giving assignments could be any of the following:

1. Drill: We believe most students require intensive drill to master material essential to their educational achievement.

2. Reinforcement: In order for introduction and explanation of new material to be of lasting value, reinforcement exercises are necessary outside of class.

3. Remediation: As instruction progresses, various weak points in a student's grasp of a subject become evident. Assignments following instruction are given to overcome such difficulties.

4. Special projects: Book reports, compositions, special research reports, and projects are some of the activities designed to supplement the regular curriculum.

c. "Plagiarism" is defined as using somebody's work and passing it off as your own. One shouldn't copy directly from another's paper or a printed source without proper acknowledgement of that source. To do otherwise, one has plagiarized and the penalty is to redo the assignment for a maximum grade of 50% on the first offense. Any subsequent plagiarism will result in a zero and 15 demerits.

3. Late Work Policy

Class assignments and homework are an integral part of the education process. In order for students to remain current in the day to day curriculum it is imperative that work be completed and turned in on time. Late work will not be accepted three days after the class period in which it was assigned. Students that fail to turn class assignments or homework on the due date will encounter the following penalties:

1 Day Late = 50% of the grade earned

2 Days Late = 50% of the grade earned

3 Days Late = No credit given with the grade of zero

Long term projects and student's with IEP's are not subject to this policy.

4. Tests

Students will have no more than two tests per day. In most cases students will be notified of a test one week in advance. If a parent wants to know when there will be a subject test, he or she can call the office, call the teacher, or log on to **ACS Headmaster** to find out. Students should have a minimum of 3 major test grades during a nine-week period for core courses and have no more than 2 tests per day. No tests are to be given on Thursday. All students will take semester exams. See page 7 for further information.

5. Extra work

a. Definition: Any academic work assigned to students in addition to the regular assignments.

b. Purpose:

1. To provide for additional practice in material that has not been learned

2. To correct improperly completed assignments

c. Given for:

1. Failure to have assignments completed on time

2. Failure to correctly answer questions in class

3. Failure to properly complete assignments: e.g. rewrites

6. Students leaving a classroom for sickness must report to the office. Students are not permitted to go to other areas of school to lie down (such as another classroom or the Gymnasium.)
7. Junior-Senior high students are not to use the “A” building downstairs restrooms.
8. Cameras, digital cameras and camera phones may not be used during school hours unless approved by the administrator.
9. Digital recorders may be helpful - educationally - for some students. In order to maximize their benefits, we expect the digital recorders to be out in plain view on the student’s desk or the teacher’s desk for recording purposes only. Recorders may not be used while in one’s pocket, purse or other places out of sight as this is inappropriate and may require disciplinary action.
10. Students may use cell phones, eBooks, iPads, eReaders and tablets before school, during break and at lunch. Students may use the listed items during class with the teacher’s permission. Any student seen using one of these items during class time without permission will receive demerits and the item will be held by the principal until the parent/guardian can pick it up. Students may not use ear buds or personal listening devices during school hours. School policies concerning appropriate music, videos and online content will remain as previously stated.

XIII. DRESS CODE PROCEDURES

Sloppiness in appearance psychologically predisposes sloppiness in attitude and work habits. A clean-cut, orderly appearance will tend to promote good achievement. Since styles do change, sometimes rapidly, new pronouncements on clothing styles may be made by the administration during the regular school year.

Because the Bible stresses modesty and admonishes us to abstain from all appearances of evil, Vandalia Christian School feels that dress standards are necessary for a school such as ours.

Therefore the following general Scriptural guidelines should be followed:

1. Modesty (I Timothy 2:9)
2. Distinction of the sexes (I Corinthians 11:14-15)
3. Identification with the Lord and not the world (Romans 12:1-2)
4. Appropriate dress for the occasion (Ecclesiastes 3:1)

If there is any question about an item being acceptable or unacceptable, the school administration will have complete and final authority in determining what constitutes adherence to and violation of the dress code.

New students to VCS must let the administration know of any existing tattoos and must keep them covered while on campus at any school function. Current and re-enrolled students may not get tattoos during the school year or over the summer. Any current or re-enrolled student that gets a tattoo will be dismissed from school.

Boys

1. Hair must be cut in a manner so that hair is off the ears, eyebrows and collar, not simply combed behind ears, or to the side so that any head movement causes the hair to fall over the eyebrows. Hair should not be bushy or flipped up on the ends and cut within 2 inches in length from the scalp. No beards or mustaches,

and boys that need to shave, must do so. Hair styles reflective of a “fad” are not allowed. Natural hair color is not to be changed or altered. Side burns may not extend below the bottom of the ear. **A clean cut appearance is required.**

2. Shirts must have a distinctive collar, visible even when wearing a sweater. There will be no henley style shirts, T-shirts or athletic shirts allowed. Shirts must be buttoned and shirt tails tucked in **so that the belt is visible.** Boys in grades Pre-school - 6th may wear crew neck style shirts. **Only pocket-sized logos or brand names are to be printed on the shirt. Please no drawings, pictures, cartoons, numbers, etc.**

3. Jeans and pants must be loose fitting, however, they must not be baggy. Pants are to be worn at the waist and have no frayed material. If pants have belt loops, a belt must be worn. **No sweat pants, wind pants or athletic pants.**

4. Boys may not wear jewelry. Shoes must be secured around the ankle. Socks must be worn.

5. Dressing in a manner reflective of a particular “fad” is not allowed.

6. On chapel days boys grades 7-12 are to wear dress pants or khakis.

7. Boys must be in dress code for school trips and extra curricular activities.

8. Students are not to write or draw on themselves or other students, including temporary tattoos, with the exception of spirit week.

Girls

We want all young ladies who attend Vandalia Christian School to be, act and look like the Lord made them – FEMININE!

1. Dresses and/or skirts must be loose fitting. The minimum length, including any open pleats or slits, must not be any higher than the middle of the knee at any time. This includes when walking, standing, or sitting.

2. Blouses, tops or skirts must not be made of see-through material, should have a modest neckline, and be loose fitting. Girls in grades 7-12 may not wear sleeveless or spaghetti strap tops even with a jacket. **Only pocket-sized logos or brand names are to be printed on the shirt. Please no drawings, pictures, cartoons, numbers, etc.**

3. Shoes must be secured around the ankle.

4. There will be no excessive jewelry or make-up.

5. Girls must be in dress code for school trips and extra curricular activities.

6. Students are not to write or draw on themselves or other students.

7. Leggings may be worn; dresses/skirts must meet VCS dress code standards.

8. Girls must maintain a natural hair color.

9. Girls may wear modest, dark, loose fitting pants. (No jeans or khakis.)
Dresses or skirts must be worn on chapel days.

10. Appropriate undergarments must be worn.

Extra Curricular Activities

1. Girls may wear neat (not rolled up, not dragging on the floor, belt if needed), loose fitting, modest slacks (NO Denim). While slacks may be worn to athletic events and the VCS-PTF Fall Festival, shorts are unacceptable.

2. Boys are to remain in school dress code attire during extra curricular activities.

3. All athletes must stay in athletic dress code until they go into the locker room and change back into school dress attire after games.

4. Students must be in dress code when leaving campus.
5. Students may not wear sweat pants, wind pants, or athletic pants to games.

ANYONE who is in violation of the dress code will be asked to leave. For the second offense, students will be told not to return to the activities for the remainder of the year.

Additional Dress Code Information

P.E. Attire - Preschool - 6th grade: It is suggested that young ladies wear shorts under their dresses or skirts for recess. Girls may wear pants on End-Of-The-Year Field Days.

P.E. Attire - 7th grade and up: Students are required to wear the school's specified gym uniform (gym suit, socks, soft-soled shoes.) Students are not to wear P.E. or athletic clothing into the classrooms, or in front of the gym or the parking lots.

Wednesday is uniform wash day. Students may wear approved alternate shorts and t-shirts.

VCS Athletic Teams that are attending and/or traveling to or from athletic events, home or away, must abide by the standards set forth by the VCS athletic department and the NCCSAA. Following games, athletes must change into appropriate clothes.

Banquet and Social Event Dress Code: Specific information will be sent home prior to each event. Students who come to events in violation of the dress standards may be asked to leave the event. All dresses of students must be checked before the event. These standards apply to guests of our students as well. We do ask those parents who attend such events to help set the proper example. Please help to avoid any embarrassing moments during these social events by following these standards. Only students in grades 10 through one year past High School Graduation may attend the VCS Junior / Senior Banquet.

XIV. DRESS CODE VIOLATIONS

Dress code violations, noted by the homeroom teachers or any classroom teacher, will be referred to the office and the following actions will result:

1st offense: If clothing cannot be adjusted to accommodate dress code, the student must change - no other punishment. The student may return to class once the offense is corrected. The student will be responsible to deliver a dress code violation notice to their parents, which must be signed and returned. If necessary, parents will receive an email notice.

2nd offense: Parents are notified and must bring a change of clothes to the student. The student remains out of class, in an ISS situation, until the parents arrive. The student may return to class once the offense is corrected. **Demerits will be issued.**

3rd offense: 7th-12th a detention will be given. Elementary Students will miss recess.

4th and subsequent offenses: 7th-12th a detention will be given. A parent conference with the principal may be required. During the conference the child's future retention will be discussed. Elementary Students will miss both recesses.

XV. DISCIPLINARY PROCEDURES

All discipline problems will be handled as soon as is practical. Discipline will be handled at the lowest level and will be administered by the classroom teacher whenever possible. All cases sent to the principal will be serious in nature and punishment will fit the offense. While discipline is basically positive training in the right direction as Proverbs 22:6 points out there is also the necessary element of correction and adherence to rules. Some forms of correction used at VCS included extra assignments, loss of privileges, after-school detentions, suspensions, and expulsion. Disciplinary action will be taken for infractions of school rules and policies. Parental cooperation in discipline will lend to less overall embarrassment for their child and will help correct negative behavior more quickly, as well as lending to a better learning environment for the child.

ISS/Demerits will be used by the teacher to discipline students in the classroom. The teacher's judgment as to the method used (except where otherwise noted) will determine the form of punishment. Any student refusing discipline will be sent to the principal immediately.

Parental involvement is welcomed. According to the principles laid down in Matthew 18, we ask that parents seek out the teacher or the source of the disciplinary process. As those rare occasions deem it necessary, the administration welcomes concerned parents who feel the need to come by.

A zero will be given for homework not turned in on time. If homework is not consistently turned in, the teacher will have a conference with the parents.

Discipline:

It would be impossible to make rules to govern every type of infraction. Good behavior must come from the heart in love and obedience to Jesus Christ and should not be merely conformity to man-made regulations. However, our young men and women are expected to observe the following general items of conduct:

1. Proper respect: respect of authority to the administration, faculty and all school and church staff is expected.
2. Proper speech: vulgarity, profanity, and lying have no place in this school. The use of slang and euphemisms is improper and will be corrected.
3. Boisterousness: undue boisterous action or talk will be out of order at all times.
4. Respect for property: mutilation and willful destruction of property that belongs to the school, a fellow student or staff member will not be tolerated at any time.
5. Proper conduct: high school students are expected to conduct themselves as Christian ladies and gentlemen while in school. A griping, destructive, critical or cynical attitude grieves the Holy Spirit and is destructive to one’s Christian growth and fellowship and cannot be tolerated at Vandalia Christian School.

Dangerous toys, weapons, knives and fireworks are never allowed at school. Magazines are not to be brought to school since they often detract from studies. Exceptions are made if requested by teachers.

The assuming of personal responsibility fosters a sense of achievement. Responsibility and achievement are necessary ingredients to the development of Christ-likeness. (I Cor. 10:31, Eccles. 9:10a, Rom. 14:12)

Behavior at Athletic Events

Although the tempo of athletic competition often lends itself to becoming emotionally involved, we cannot tolerate unsportsmanlike behavior from faculty, coaches, players, cheerleaders or spectators. Respect is to be shown at all times to game officials, opponents, and persons from schools with whom we compete. Please do not “boo” or ridicule the opposing team or the officials because of a call they make or do not make. Please help us maintain high standards and a good testimony at both home and away contests!

Spirit Shirt Attire

School-approved spirit shirts may be worn to school on all home game days. The day before each home game we will make an announcement concerning spirit shirts.

7. After a second suspension during the academic year, no student may participate in any extra-curricular program for the remainder of the school year. This includes athletics and fine arts.

XVIII. PROPERTY PROCEDURES

1. RESPONSIBILITY CONCERNING FACILITIES

School property is never to be destroyed or defaced.

Destruction of school or church property, including marking on walls and tearing up books or furniture, will result in the student being required to pay the cost of repairing, refinishing, or replacing the same. 12. MODIFIED EXAM GRADING SCALE (GRADES 7-12)

A physician based diagnosis will not qualify a student for the modified grading scale unless accompanied by valid testing documentation.** The testing results must verify a learning/processing disability along with instructions for accommodating the student. VCS administration reserves the right to request that a student be retested every five years to ensure current accuracy of the perceived special need of the student. The modified grading scale will then be implemented for final exam grades and is as follows:

EXAM GRADE	MODIFICATION
79 - 70%	Add = 7%
69 - 60%	Add = 10%
59 - 0%	Add = 15%

XX. ATHLETIC ELIGIBILITY

VCS desires to provide balance for our students by providing them with the opportunity to participate in the areas of academics, the fine arts and athletics. The school encourages, underwrites, and provides all students in grades 1-12 with the opportunity to participate in one or more of the seasonal sports. With all privileges there is responsibly. The same goes for the privilege of participating in sports at VCS. In order to become a part of or remain on a team, students in grades 7-12 must meet the following requirements:

1. **A completed Physical Form must be turned in before the first game.**
2. Students must have an overall average of 69.5 and have no more than two failing classes (required or elective).
3. Students must arrive before 2nd hour begins and remain until 4th hour ends in order to participate in any scheduled game **or practice** for that day.
4. Students that are consistently tardy or unexcused absent from school the day following an event will be suspended from participating in sports for that season.
5. After a second suspension during the academic year, no student may participate on any sports team for the remainder of the school year.
6. **After a student commits to a sport of choice he/she may not leave and join another sport during that current season.**

Please note that the Athletic Director or a member of the administrative staff will check all athletes' records at the end of each quarter. All students that are academically ineligible will then be suspended from the team for 15 days or until the next progress report. If they are still ineligible at the progress report they will remain off teams until the end of that nine week period. (Eligibility for fall sports will be determined based upon the last quarter of the previous year.)
